To Dr. Marchesi.—I have ten years been troubled with Female Catarrhs—prolonged, Uterine, and all attending difficulties—at times rendering my life most miserable. I have had the attendance of some of the best physicians, with but little success. The most that they could do was to relieve—a cure was out of the question. For five months I have been using your medicine, and I have not been able to perform any labor, could walk but a few steps at a time and scarcely went out of doors—in short, I was completely prostrated both in body and mind. I expected to drag out the rest of my days in suffering and pain, but your medicine has effected a cure, and I am now as well as ever. I feel that I owe you a testimonial, and I am glad to do so. I have used your medicine, called "Uterine Catholicon," as the last resort. I had not used it a week before I felt like another woman. By the use of three bottles, I was enabled to perform all the labor of the family, with ease, and all the labor for which I was formerly known. Nothing but a sense of duty to you and the suffering community, has induced me to state my case to the public; and I can safely recommend the preparation to all those afflicted with the same. I am, Sir, your obedient servant, Mrs. SARAH A. BISHOP, Freedom, Portage Co., O., Dec. 27th, 1852.
